

Volunteer: Estate Inspectors

Your home and surrounding community are not only important to Red Kite; we know they are also just as important for you as someone who lives in one of our homes or in the local area.

As a Red Kite 'Estate Inspector', your challenge is to scrutinise your local area, checking your neighbourhood and being our 'eyes and ears'. You will be supported by two or more Red Kite employees who will be with you to help on the estate inspection. Your knowledge of the area is extremely valuable to us, and even if you don't know the area then it's a great chance for 'fresh eyes' to check out the local community and spot hidden issues or something we may have missed!

We are looking for people who care about their local community and neighbourhood, who can bring a fresh perspective, tied with valuable local knowledge which will ensure we are finding any issues and quickly resolving them. Issues will range from; untidy gardens, tree issues, fly tipping, graffiti, rubbish, grass cutting, pathways and much more. Have you got spare hour to help make a difference?
