

Volunteer: Estate Inspectors

The quality of your home and surrounding community are not only really important to you and your neighbours who live there – they are also important to us. That's why we carry out regular inspections to make sure we are doing all that we can to keep them in good order. We need your help to do this.

As an 'Estate Inspector', you'll be invited to join us when we carry out an inspection to check your local area. Your knowledge is extremely valuable to us, and it's a great chance for a 'fresh pair of eyes' to help us check out the local community and spot hidden issues or something we may have missed!

We are looking for people who care about where they live who can bring a new perspective, along with valuable local knowledge to help ensure we spot any issues and quickly deal with them where we can. Issues could range from; untidy gardens, overgrown trees, fly tipping, graffiti, rubbish, grass cutting, pathways and much more. Have you got a spare hour or so to help make a difference?
