

## **Important**

### **Your Gas and Water supply**

In line with current health and safety regulations, your water and gas supplies have been turned off.

As soon as you pick up the keys to your new home, please do the following...

- 1. Contact K&T Heating:** Contact 0208 269 5981 to reinstate your gas boiler  
*(If your new home has electric heating, e.g. storage heating, you do not need to contact K & T Heating)*
- 2. Reinstate your water:** turn on your stopcock to reinstate the water.

If you have any questions, please contact our Relationship Advisors on **01494 476100**
